6115. SHRI VIREN J. SHAH:
SHRI PRAMOD MAHAJAN:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(b) Does not arise.

(c) Monitoring of the scheme of Operation Blackboard is primarily carried out through the Quarterly Progress Reports QPRs) which the States/UTs submit within four weeks of the close of the quarter under report.

To evaluate the implementation and impact of the scheme, NCERT and four external Evaluation Agencies were entrusted with the evaluation of the first phase of Operation Blackboard (1987-88). The sample studies were carried out during 1991--94 by the following agencies:—

1.	NCERT	Tamilnadu, Rajasthan, Gujarat & Maharashtra.
2.	Operations Research Group (ORG) . . .	Orissa and Himachal Pradesh.
3.	G.B. Pant Social Science Institute, Allahabad. . . .	Uttar Pradesh.
4.	National Institute of Rural Development, Hyderabad.	Andhra Pradesh, Tamilnadu & Madhya Pradesh.
5.	SANDHAN, Jaipur . . .	Rajasthan.

The main findings of the evaluation reports are:—

—The scheme has helped in improving the physical facilities in the primary schools.

—The pace of construction of school buildings has, however, not been very satisfatory.

—Provision of the basic facilities under Operation Blackboard has been appreciated by teachers, pupils and community at large.

—The utilisation of teaching learning meterial, however, has not been very satisfactory because of lack of training of teachers.

—Operation Blackboard schools were found to be better off than non Operation Blackboard schools.

(d) Essential Teaching Learning Equipment has been sanctioned to 5.22 lakh primary schools in the Country (constituting 99.9 per cent of the total primary schools) and 96 per cent of the single teacher schools have been sanctioned an additional teacher under the scheme.

(e) The details of financial assistance released State-wise from 1987-88 to 1993-94 and utilisation position are given in the enclosed statement.
